

PERIMETER ROAD RECONSTRUCTION PHASE II AT SAN ANTONIO INTERNATIONAL AIRPORT

The construction bid advertising began June 20, 2005 for the Perimeter Road Reconstruction Phase II Project at San Antonio International Airport. This project includes the following work: excavation of existing pavements and construction of PCC street pavements (in the airfield), asphalt pavement, site preparation, drainage, grading and erosion control. The estimated construction cost is \$778,649 for the base bid, and \$1,154,929 for the base bid and three additive alternates. This is a federally-funded project.

This project may include the following subcontracting opportunities: heavy construction, cement and concrete manufacture – ready-mix, asphalt paving, site preparation, seeding, sodding and trucking.

Plans and specifications may be purchased at a cost of \$100.00 per set from the office of Claunch & Miller, Inc., 4203 Gardendale, Suite 104C, San Antonio, Texas 78229. No refunds will be made for plan sets that are returned.

A **Pre-Bid Conference** will be held in the Aviation Department Conference Room "A", Mezzanine Level, Terminal 1, San Antonio International Airport, 9800 Airport Boulevard, San Antonio, Texas, at 10:00 a.m. on **Friday, July 8, 2005**.

Bids for this project will be due in the Office of the City Clerk, second floor City Hall, 100 Military Plaza, San Antonio, Texas on **Wednesday, July 20, 2005**.

Equal Employment Opportunity & Disadvantage Business Enterprise (DBE) Participation: The San Antonio International Airport has established a Disadvantaged Business Enterprise (DBE) Program in accordance with regulations of the U. S. Department of Transportation (DOT), 49 CFR Part 26. It is the policy of the San Antonio International Airport to create a level playing field on which DBEs can compete fairly for federally assisted contracts; to ensure that the DBE Program is narrowly tailored in accordance with applicable law; and to ensure that only firms that fully meet 49 CFR Part 26 eligibility standards are permitted to participate as DBEs.

A firm submitting a bid for this project is asked to make good faith efforts to meet or exceed the goal for DBE participation. All respondents that do not meet the goals set for this project are subject to good faith efforts review. **The City has established the following federal DBE goal for this project: 16.0%**

Small Minority and Women owned Business Enterprise Participation: It is also the policy of the City of San Antonio to contract with Small, Minority, and Women-Owned Business Enterprises. The City of San Antonio Small Business Economic Development Advocacy (SBEDA) Program has established the following goals for this project:

- ◆ MBE Goal: 24.0%
- ◆ WBE Goal: 11.0%
- ◆ AABE Goal: 1.5%
- ◆ SBE Goal: 50.0%

Interested contractors are encouraged to contact the Small Business Outreach Office regarding the SBEDA Policy. For questions on the above MBE, WBE, AABE, and/or SBE goals, contact the Small Business Outreach Office at 207-3915

Certification: Firms that are interested in participating in this and other airport projects are encouraged to become certified. For certification information, please contact the South Central Regional Certification Agency at 227-4722.

Information: Additional information may be obtained from City of San Antonio, Public Works Department, Capital Programs, 114 W. Commerce, 5th Floor, San Antonio, Texas 78205, 207-8140 or by visiting the Public Works website at <http://www.sanantonio.gov/capprog>.

Further information to be posted on the airport website at www.sanantonio-airport.com. For more information concerning the federal DBE process, contact the DBE Liaison Officer at (210) 207-3505.
